

## TYPICAL CANOPY

Included are the following:

- hanging hook
- C ring
- dimmable LED bulbs
- typical ceiling canopy with hardware up to 30" drop stem

Wiring for countries outside of the U.S. is available upon request, prices vary.

Dimmers are not included and need to be installed by licensed electricians according to the bulb manufacture's specifications.

We will supply bulb information before shipping on request.

Bulbs for countries outside the U.S. are not included and need to be sourced by others.
